Dear Madam Secretary:

This letter and the attached amended report are in response to the Federal Election Commission's preliminary review of the March 31, Quarterly Report (01/1/07- 03/31/07) of the Evan Bayh Committee. The letter (copy enclosed) indicated a few questions that the Commission wanted the committee to address.

- 1.) Schedule A of your report discloses what appears to be receipts from the sale of campaign assets that appear to exceed the limits set forth in the Act.

The payments in question were not receipts for the sale of campaign assets. The payments were received from the All America PAC and were reimbursements for All America PAC expenses erroneously paid by the Evan Bayh Committee.

The first payment was for \$730 to reimburse the Evan Bayh Committee for the purchase of list rentals.

The second payment in the amount of \$14,632 was to reimburse the Committee for the payment of a holiday card mailing invoice. The \$14,632 was paid by the Committee and should have been paid by the PAC.

The third payment was for \$1,650 to reimburse the Committee for a list rental payment which should have been billed to and paid for by the PAC.

The fourth payment in the amount of \$7,455 was the postage for the holiday cards in item two which was also paid by the committee and should have been paid by the PAC.

The fifth and final payment in the amount of \$10,441 was to reimburse the committee for printing charges which were paid by the Committee and should have been billed to and paid by the PAC.

- 2.) Your report contains incorrect Column B figures for Lines 6(b), 6(c), 20(a), 20(d), and 22 of the Summary and Detailed Summary Page information.

A corrected Summary and Detailed Summary Page is attached.
